

## McDonald Mushroom Puff

**Yields 48**

**2 pkgs**      **crescent dinner rolls**

**1 pkg**        **cream cheese (8 oz), room temperature**  
**1 can/jar**    **(4 oz), mushrooms, drained, chopped**  
**2**            **green onions, chopped**  
**1 tsp**        **seasoned salt**

**1 large**      **egg, beaten**  
**2 Tbs**        **poppy seeds**

**Preheat oven to 375 degrees. Lay out crescent roll dough and press perforations to seal. Mix cream cheese, mushrooms, onions, salt and spread over dough. Roll up jelly roll fashion and slice into 1" pieces. Brush with egg, sprinkle with poppy seeds and bake for 10 minutes. Serve hot.**

**The recipe can be prepared ahead up to the baking point and then frozen until time to cook. In fact, the mushrooms roll is easier to slice if it is frozen.**
